

## **PRESS RELEASE**

### **800 actors for a unique video-clip are requested: the homage to the Airbus A380!**

No song without a video-clip. No exception for “Near to the Sky”. Because: the video of the homage to the A380, the hymn “Near to the Sky”, will be shown also on MTV and VIVA.

The attraction: Among all actors 3 flights for 2 persons each with one of the first flights of course with the A380 with Singapore Airlines are drawn in a raffle....In addition 30 persons (2 pilots and 2 copilots included) are selected as principal actors who (SUPER ATTRACTION!) will fly to the destinations for the second video-clip shooting to the United Arab Emirates to Abu Dhabi and Dubai – for 5 days!

What a super destination! 1001 nights live! Where the shooting will take place? Among other at the new super-hotel “Emirates Palace” in Abu Dhabi.....

The ultimate chance for all those who ever wanted to participate in a music-video. And now – most important: all the places for the actors will be auctioned online at e-Bay beginning 5 September, a part of the auction revenues will be used for charity purposes. Of course this is something for quick determination. But they will have a fantastic experience: Participation in a worldwide unique music-video about the biggest air-liner in the world – the Airbus A380!

The attraction: There is a speciality for the shooting.

For the first shooting in Germany 800 international actors are wanted. 4 pilots, 4 copilots, 15 flight attendances (female), 10 flight attendances (male), all in uniforms. Still not enough: furtheron 30 African actors as musicians (15 male and 15 female) in their own african clothing/costumes with drums, 60 Arabian actors in original clothing (30 male, 30 female), 16 male Indians in original clothes, 30 female Indians in sari, 10 bagpipe-players with kilts, 20 female and 20 male flamenco dancers with special clothing, 8 flamenco guitar players, 50 typical bavarian actors, 50 persons from northern Germany in special clothes, 50 French with berets and waistcoats, 16 actors for Queen Elizabeth’s guard, 60 female and 35 male Chinese in country-typical clothing, 30 geishas and 20 male Japanese, all with kimono, 40 Australian with boomerang and didgeridoo, 30 Indonesian temple dancers with costumes, 50 cowboys & cowgirls, 40 belly-dancers.
